Badgerswood & Forest News

Newsletter of the Patient Participation Group

Spring 2026

Hello and welcome

Welcome to Badgerswood and Forest Surgery News, the newsletter of the Patient Participation Group (PPG). You can find out about the PPG at: **www.bordondoctors.com/patient-participation-group/**

We plan to publish the newsletter four times a year (Spring, Summer, Autumn, Winter) and for it to have some useful and interesting articles, for example:

- The work of the PPG
- The benefits of the NHS App
- Anima, our new online booking service
- Local community events and support
- How to get the best out of your GP appointment
- Why your GP appointment may run late

Our first newsletter will be out this Summer so keep an eye open for it. It will be available on the Surgery website (www.bordondoctors.com) and a small number will be left in each surgery reception area. We very much hope you enjoy reading it.

REMINDER

Please tell the Surgery ASAP if you cannot attend your appointment or if you no longer need it. If you are registered for online services, you can cancel your appointment directly. If not, please phone us on 01428 770004 (Badgerswood Surgery) or 01420 477111 (Forest Surgery). Thank you.

TELL US WHAT YOU THINK

We are very keen to find out what you think about:

- Our newsletter idea and what you would like to see in it
- Your experience of using our GP services - see the 'Friends and Family' test at: www.makeusbetter.net/fft/bfs/
- Any ideas you may have to help us improve how we support you.
- Please contact us at: **Badgerswood.ppg@mail.com**

BADGERSWOOD SURGERY
Mill Lane, Headley, Bordon
GU35 8LH
Tel: 01428 770004
